THE TRANSPARENT FLÜGEL

Take a classic design and clad it in clear acrylic and it takes on a whole new dimension. Depending on how you choose to style it, the see-through qualities enable it to beautifully compliment any interior or alternatively be the stunning centrepiece.

Available in different colour schemes, it also comes with fully integrated LED lighting which can sync in time with the music should you really want it to come to life.

Available from £79,995 (inc. vat @ 20%)
