THE FADING **SYGNET**

SUPER YACHT BESPOKE PROJECTS

BRIEF: The client, a current Edelweiss owner, requested a custom self-play piano aboard their 49 metre super yacht. They had seen our unique paint effects and requested a sun fade effect on the key fall of a gloss black piano.

BUDGET: £40,000 to £60,000

LOCATION: Italy

THE SOLUTION: Edelweiss Pianos worked with the Yacht Interior Designer and recommended the Sygnet, the world's smallest grand piano to complement the space.

The piano was fitted with our specialist Super Yacht Specification fixings and materials and installed by our dedicated team.

TIME FRAME: 6 months
