PROJECT RESILIENCE

SUPER YACHT BESPOKE PROJECTS

BRIEF: The client requested a self-play, statement grand piano aboard their 65 metre super yacht to be placed in the main lounge area.

BUDGET: £60,000 to £90,000

LOCATION: Greece

THE SOLUTION: Edelweiss Pianos worked with the Yacht Interior Designer and recommended our transparent Flügel with integrated LED lights and custom finished with a black frame and matching stool to compliment the décor style.

We also created special feet for the piano to ensure deck fastening was possible and worked with the shipyard directly on build and installation of this project.

TIME FRAME: 6 months
